

Eid Mubarak

Eid the festival of fast breaking and sharing the abundance.

Santa Marians looks forward to Eid celebration in school. This time Eid was in June but we didn't miss the opportunity to have this beautiful cultural exchange in School. Eid which is an Arabic word means festivity, while Fitr means to break a fast. Eid-ul-Fitr is celebrated at the end of Ramadan.

On 12th July 2019 Children celebrated Eid-ul-Fitr. The day began with a special assembly on Eid by Prep-B. A small skit was presented to help children understand how Eid is celebrated. A prayer is said in the evening before iftar after which the family sits and eats together. The same was shown in the skit where in a prayer was said in Arabic which was translated to Hindi. The children recited the prayer-

"Pyas khatam ho gai

Rage tar ho gai our agar Allah ne

Chaha to sabab milega"

Each class participated in cooking meethi sewai under supervision. Children enjoyed sharing seviyaan with friends and teachers.

A handkerchief and a sweet were given as an Eidi to all children. Essence of Eid is to help people in need and celebrate brother hood.

Children were really happy and expressed themselves by saying- 'Ma'am yeh hanky aur toffee hamara gift hai na?' 'It is sweet' 'I got sewiya today, yummy...'

Warm regards
