

Santa Maria Integrated Learning Environment

Guru Purab

On Friday 3rd November Santa Maria observed **Guru Purab**. A special assembly was organized to mark this auspicious occasion. The assembly started with a brief presentation to make everyone aware of the occasion and its significance. The presentation was followed by the recitation of **Japji Saheb** by the school choir. Children got to know the meaning of **the prayer** in simple words.

The significance of the Gurur purab lies in the **teachings** we received from Guru Nanak ji. Prep children came forward to tell us the five most important teachings of Guru Nanak ji, namely:

- There is only one God
- Everyone is equal
- Always speak the truth
- Help the poor and needy
- Love everyone

Children gave their reflections about the teachings and said, “ Sab log samaan hain”, “ we should help the poor people” and much more.

We are grateful to our children and their parents who generously sent the **‘Kada Prasad’** to school for distribution. All children and teachers were delighted to receive the Prasad. It was a wonderful and fulfilling day for all at Santa Maria.
