

Prep Exhibition 2019 - 20

Santa Marians were delighted to present their activities to parents on Saturday 27th July. It was an enriching experience for both children and parents to interact with each other. This was an opportunity for us to showcase the 'parent and child' engagement that took place during the holidays.

Preps were divided in following four groups:

- Naturalists
- Green warriors
- Story tellers
- Budding scientists

Each group was seated in the area allotted to them for the exhibition. This helped all of us to prepare the assigned corners according to their theme.

Naturalists

Naturalists presented activities related to bonding with nature like,

- ❖ The Anchor charts (analyzing the shape, color, texture of materials collected during nature walk)
- ❖ Observation record of animals, insects, plants and trees

Green Warriors

Green Warriors presented the beautiful articles like (created out of waste material)

- ❖ Games
- ❖ Treasure boxes
- ❖ Hangings and decorations
- ❖ Clothe bags
- ❖ Toys

Story Tellers

Story tellers presented stories using

- ❖ the story books
- ❖ puppets and puppet theatre
- ❖ shadow puppet theatre

Budding Scientists

Budding scientists presented simple scientific experiments on

- ❖ Water
- ❖ Air
- ❖ Light

All groups had live corners in which children and parents did hands on activities like printing, playing with moveable words etc. It was a very proud moment for everyone at SMILE to see our little ones talk to adults with such confidence and clarity.

Children had made beautiful souvenirs out of waste material as take away gifts for parents. The gifts were handed over to parents by children.

From here our children will take a flight as we will continue to see their level of readiness going up with time.

We are very happy to share with you that during the exhibition most of our parents spent lot of time listening to other children in different groups. The quality of engagement during the exhibitions was excellent this time. We are grateful to all our parents for extending their valuable support and time to children and to make this event such a big success.

Warm regards

Deeksha Thomas
