Dear Parent,

Hope you and your loved ones are safe and taking all steps to continue to stay healthy.

Please note that Santa Maria School has partnered with HDFC bank to facilitate online fee deposits. You will now find the payment gateway on our school website santamariaile.com.

All parents will receive an email from HDFC bank through their fin-tech partner qfixcom. Parents have two options –

- To sign up on the portal using the user name and password provided on the email
- To deposit the fees directly through the link on the school website.

Considering the financial impact that the Corona virus has had, the management has taken the following decisions regarding the school fee for the academic session 2020-21 –

1. **The Tution fee for the academic session 2020-21 will be the same fee that was payable in 2019-20 (i.e, Rs 5950/- per month).** This means that there has been a rollback on the fee increase that was proposed at the beginning of this academic session. Teachers have decided that they will not take any increments this year to accommodate this decision.
2. The **Activity fee and Stationery fee would be waived for the first quarter.**(April May June).
3. The **Transport fee, for the first quarter , (April may June) will also not be collected.**
4. Parents may choose whether they wish to pay monthly or quarterly. Please make sure you deposit the fee for April and May immediately. All fees should be paid before the 10th of the every month.
5. Post dated cheques that were submitted has not been encashed. Parents who have deposited post-dated cheques in the beginning of the school year will get these cheques back once school reopens.

We hope that the children and you are enjoying the Zoom sessions. Feedback is always welcome. .

With much prayers for a peaceful and healthy future.
