Dear Parents,

We hope that the last word list helped you to re-enforce the reading with your child at home. In continuation to the previous list we are now sending the sixth one. From this word list you will be able to see how the emphasis has moved to diagraphs and new sight words.

Please note that these words are only for reading and to help your child to increase his/her vocabulary. Children can be encouraged to make short and simple sentences using these words.
