

JANMASHTAMI CELEBRATIONS 2021

Santa Maria celebrated Janmashtami' on 27th August. There was a discussion about the birth of Lord Krishna and his love for white butter. Children got to know about the 'Dahi Handi' and other events that are organised during this festival.

In school, the day started with a nature walk where children walked around the school with their paper bags, collecting objects to decorate their "Jhankis". The school looked vibrant with colourful Jhankis depicting various aspects of lord Krishna's life.

Children also learnt about the flute and other musical instruments that are played through wind. It helped them to understand how Krishna used to play the flute. They had a great time making colourful flutes for themselves.

Nursery also celebrated Janmashtami in their online sessions. Some children dressed up as "Natkhat Krishna" with flutes in their little hands. Children relished the taste of 'Mishti Doi' which they prepared during a parent and child activity.

Preps expressed their views about 'which quality of Krishna they could relate to most'.

Everyone enjoyed making 'Shrikhand' as a part of the celebration.

The event concluded with all children eating and sharing the delicacy with family and friends.

The little ones were both excellent participants and enthusiastic spectators and enjoyed every moment of the celebration.
