

Diwali Celebration at Santa Maria

The Diwali celebration in Santa Maria started a week before Diwali break. It started with decorating classes with beautiful art and craft work by children.

Torans and lanterns:-

Special assembly was presented by Prep (B and D) to spread awareness about air pollution caused by crackers. A week long campaign with banners was done by preps for the same. All children repeated after the teacher, “NO to Crackers”, as it is harmful for each one of us, be it humans, animals, birds or plants.

Children also sang the Diwali song, to convey that diwali is the festival of lights “Mann mein deep jalayein.....Khushiyan felaye..ek duje ka such dukh bate , milke jagmagayein”

Children made beautiful Rangoli in the classroom and corridors and also shared sweets with each other. Children also pledged to share sweets with people, who cannot buy. Santa Maria observed a rich cultural exchange on Diwali.

Regards,
Sahaya
